WIS Challenges and opportunities from the table

- To set goals for the year ahead
- to have a group that keeps us accountable, doing what we say we will do
- to revisit why we're doing what we're doing
- to have a trusted circle to share successes and struggles without worrying about appearances
- to help connect one another and make them part of a community
- to have representation by chairs or vice chairs from chapters without a WIS role
- to extend ideas outside of our immediate circle
- Spotlight showcase and network
- putting the foundations together to grow volunteers and
- Grow membership
- increase visibility
- Improve resource limitations
- host events
 - encouraged seasoned personnel to connect with WIS and YPs
 - women security sponsored charity and fundraisers
- intercommunity collaboration
 - new ideas spark new enthusiasm
 - bridge gaps
 - drive engagement
